

Job Opening

Company: Robert Half International Inc

Position: PeopleSoft Analysts, Developers, Project Managers and QA

Company contact: Roy Cook (roy.cook@rhi.com)

Job type: Multiple

Robert Half International has multiple openings for PeopleSoft professionals at its Corporate Services Center located in Bishop Ranch.

- Business Systems Analysts – Proven experience and in depth knowledge of Financial or North American Payroll modules with the ability to work directly with internal business customers.
- Developers – Experience with two or more of the following modules: Payroll, Benefits Admin, Base Benefits or Time and Labor. In addition, 2+ years of recent development experience using PeopleTools, PeopleCode, SQR, AE, etc.
- Quality Assurance Testing – Experience testing PeopleSoft Financial modules.
- Project Manager – Proven ability to manage global PeopleSoft implementations and upgrades.

Robert Half International is a global leader in professional staffing and consulting services. Every day, our expert staffing professionals assist companies in locating skilled workers and individuals in finding employment. In fact, someone finds a new job through Robert Half every two minutes. We also help businesses identify opportunities for increasing profitability and manage risks to their operations through our global business consulting and internal audit firm, Protiviti. Ranked first in our industry on FORTUNE® magazine's "World's Most Admired Companies" list, Robert Half is listed on the S&P 500 index and, in 2010, reported revenues of \$3.18 billion.

Our Corporate Services employees are the backbone of these global operations. Our teams solve business challenges every day, and they work with our professionals in 400 staffing and consulting locations worldwide. Each employee at our corporate services locations plays a role in our company's success. If you want to make a difference, apply for this job today!

All candidates must have PeopleSoft experience and be eligible to work for Robert Half International in the United States. Relocation expenses are currently not budgeted for these positions.

You may apply for this position online, or by fax, mail or in person.
